On this page you will see

Your Certification information

You will see for the current year in green State/national approved

This means you are currently a certified ref

You will also see any classes you have registered for

It will say completed if you have attend and met requirements

It will say pending if you have not received credit or have not attended yet

Grade 9/8 need 4 hours per year

NOTE

You are required to take classes while you are already certified these will count for next year.

All the inservice requirement hours need to be finished by Dec 31

EASY explanation

Jan 1, 2017 is graduation day! This is the day you become a certified referee for 2017.

You have to complete all class or field training hours, pass test, payment in 2016 to be able to graduate and ref at any time in 2017.
